WHAT IS THE MANIFESTO?

The Manifesto, co-developed by young people, workers, Clean Clothes Campaign and allies, will set out core principles to act as a guiding star for a Just Transition to a renewed future of fashion.

THE MANIFESTO WILL:

- influence the future of fashion
- inspire youth, workers, CCC
- network and allies to act
- guide lobbying, advocacy and public engagement
- support worker organising
- build a Just Transition movement

TIMELINE

Official launch of the e-portal on 21st May online.

Offline discussions already taking place, and will continue in workshops and at big fora like youth meets workers forum and international conferences at local, national and international level.

Crowdsourcing until 16 Nov 2025.

Drafting and building consensus until 30 April 2026.

Manifesto launch 1 May 2026.

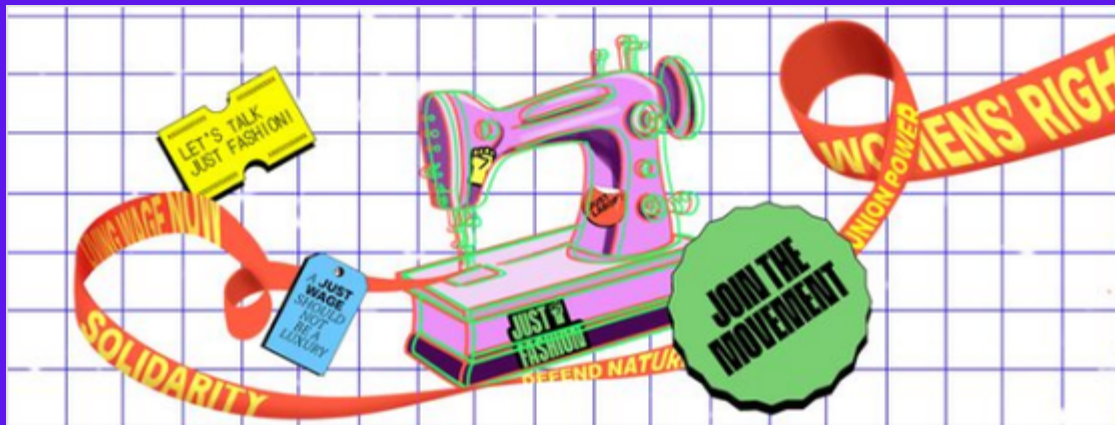

OUR MANIFESTO

It will be our shared Manifesto - we all need to engage as many people and organisations as possible to have the biggest impact possible.

The ask to everyone in the CCC Network

- to participate in the e-portal yourselves
- to activate as many young people and workers as possible!
- to get the following to participate in the e-portal:
 - one trade union
 - one feminist organisation
 - one youth organisation
- and to at least start the conversation with at least one environmental organisation.
